1.0 INTRODUCTION

It is a requirement under the Equality Act 2010 for schools to have an accessibility plan.

Implementation: It is the responsibility of line managers to ensure that staff members are aware of and understand this policy and any subsequent revisions.

Compliance: This policy complies with all relevant regulations and other legislation as detailed in the Compliance with Regulations & Legislation Statement.

2.0 VISION STATEMENT

Each child who joins our school community will be welcomed and valued regardless of sex, race, belief, physical disability or learning difficulty. This accessibility plan focuses on a wide range of disability associated with pupils with Autism Spectrum Disorder and co-morbid conditions. At Hillingdon Manor School, pupil achievement is celebrated in a pupil-centred teaching and learning environment and excellent achievement at school enables pupils to be as independent as possible so that they make the most of opportunities when they leave school.

The purpose of the accessibility plan is to ensure that all pupils have access to education in the three areas required by the planning duties in the Equality Act 2010.

1. Increasing the extent to which pupils with disabilities can participate in the school curriculum;
2. Improving the environment of the school to increase the extent to which pupils with disabilities can take advantage of education and associated services;
3. Improving information delivery to pupils with disabilities.

Outcomes First Group also recognizes its responsibilities towards employees with disabilities, and will:

- Monitor recruitment procedures to ensure that persons with disabilities are provided with equal opportunities.
- Ensure that employees with disabilities are supported with special provision as appropriate to ensure that they can carry out their work effectively without barriers.
- Undertake reasonable adjustments to enable staff to access the workplace

3.0 DEFINITION

You're disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

4.0 DEVELOPMENT & REVIEW

The accessibility plan is guided by the principles and procedures in the school's Single Equality Policy.

The plan will be on the school website and reviewed annually by the Senior Management Team to ensure it is effective.
