

CAREERS NEWSLETTER

Welcome

Welcome to our second edition of the monthly careers newsletter! We hope that the newsletter will be a useful resource for students and families to help with thinking about the future!

February Events

On the 12th February, a group of KS 5 pupils attended a SEND Careers Fair to explore future opportunities and next steps. Some of the organisations who attended included: Colas Rail Group, Green Corridor, Shaw Trust Supported Internships. It was a fantastic day and pupils enjoyed speaking to a range of attendees!

Subject of the Month

Mathematics – Maths isn't just numbers – it builds problem-solving, logic, analysis and decision-making skills that are very valuable in many professions. At HMS we aim to prepare students to gain skills and achieve higher-level qualifications so they can progress and access better employment opportunities. Immersive and Flexible groups focus on developing practical, essential life skills, such as counting, budgeting and spending money. [Click here for more.](#)

Upcoming Events

2nd - 7th March - Careers Week: a range of bespoke activities from meaningful talks and pupils-centred workshops delivered by visitors to 'Dress-up as my dream job' fundraising event.
