

PUPIL VOICE NEWS

March Edition

Step into Spring with Pupil Voice and read the March edition of the Pupil Voice Newsletter.

February & March have been successful for pupil voice, in particular, our Parent Coffee Mornings have gone down a treat! We have also walked a lot of steps raising money for Cancer Support UK!

Authors (L to R): Kayleb, Sunay, Christian

Pupil Voice – Meet the Team:

Kayleb:

"I like playing with the other members of pupil voice, and getting to talk to Mitzi and Elaine about the school."

My next goal is to play some football in my free time and score a goal with my friends!

My fun fact is that I love to go to the arcade! The arcade makes me very happy, it is my favourite place to go.

Sunay

My favourite part is our weekly meetings and discussing important things with the other members of pupil voice.

A personal goal is to continue working on the farm – I really enjoy this..

My fun fact is that I love to draw in my spare time. I find it relaxing and fun.

Christian

I like pupil voice because it is amazing to be part of and I love to design the posters to display across the school.

I love watching football and want to see the ball kicked into the goal.

I would also really like to play some football with friends.

My fun fact is I love playing games! I spend break/lunch playing games with friends and like to play games in my free time.

What is one goal you have this year?

I would really like if pupil voice could do a trip into the city.

A personal goal is to continue working on the farm – I really enjoy this..

Name a fun fact about you:

My fun fact is that I love to go to the arcade! The arcade makes me very happy, it is my favourite place to go.

My fun fact is that I love to draw in my spare time. I find it relaxing and fun.

My fun fact is I love playing games! I spend break/lunch playing games with friends and like to play games in my free time.

Charity of the Month

Pupil voice will be supporting HACS (Hillingdon Autistic Care & Support) for the month of April. HACS are a charity that provide support for many of our families across the school.

HACS are committed to raising awareness, knowledge & understanding of autism.

They support families, young people, adults, and aid with employment for people with ASD.

March Charity:

Thank you to everyone who supported us with our step challenge in March.

Across the 23rd and 24th March, students walked to the local park. Across the school we walked over 25 miles! That is just in 2 days!

There is still time to donate, please find the link [here](#).

Upcoming Events

April - World Autism Acceptance Month

26/03 - Market Day - raising money for Meiting's marathon

HACS will be visiting Hillingdon Manor to collaborate with Pupil Voice

Pupil Voice will be visiting HACS

22/04 Earth Day

24/04 - Parent Coffee Morning

School Improvements

For our last newsletter edition, we informed you that we had spoken to our Deputy Headteachers about the improvements we are planning and campaigning for at school.

We have received a response that one of our projects (so far) has been accepted, and to begin planning the area in the adventure playground that is currently vacant.

We have begun the planning, including the budgeting, designing & general logistics of how will be upgrading this area.

Please stay tuned to see our adventure playground receive an upgrade!
