

CAREERS NEWSLETTER

Welcome

Welcome to the final edition of our newsletter for this academic year, part of the HMS Careers Programme! This is a way for us to stay connected with you, and through it, share our stories. We'll highlight upcoming services and events, moments from our community, and different ways to visit, explore and support us.

Highlight of the month

Key Stage 4 Fire Engine Design work experience and project presentation at Babcock.

The project consisted of designing a next-generation fire engine across four areas: Interior - Exterior - Gear - Marketing. Well done, HMS students!

Summer Market Day - one of the main school events in the school calendar, gathering together classes and staff members in providing opportunities for students to practise core and transferable skills such as communication, teamwork and collaboration, problem solving and critical thinking, time management and organisation when designing products to sell to the customers: external visitors - parents and carers - and internal school staff members.

End of Year Surveys

• HMS Careers Programme Evaluations

These surveys are intended to gather feedback from HMS stakeholders on the school's careers programme.

It gathers stakeholders' perceptions, the support offered to them by the school and the impact of the careers programme on our learners.
