

My

Mobile Phone

at

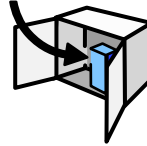

School

When I arrive at school, I might

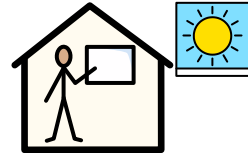

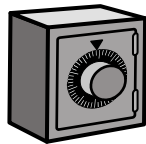

have my mobile phone with me.

At the beginning of the school day, I

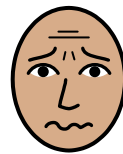

give my phone to SLT.

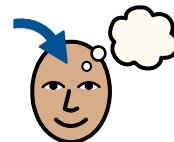

My phone will be kept somewhere

safe during the school day.

I don't need to worry about my

phone while I am learning.

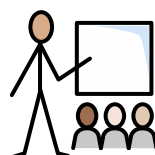

I can

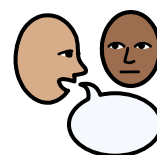

focus on

my

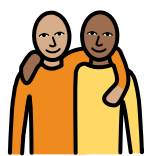

lessons,

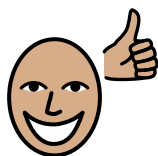

talk to

my

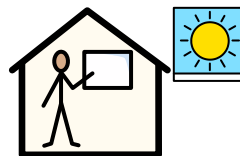

friends

and

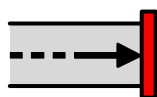

enjoy

my

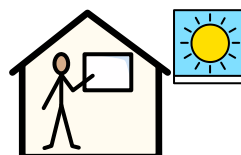

school day.

At the

end

of the

school day,

I

will

collect

my

phone

from

SLT.
